Things you need:

scissors
stick glue
light cardboard - we used 30cm x 30cm
decorations - eyes, pipecleaners, card or colouring pens

1 Cut a piece of paper card 30cm x 30cm. Fold it in half to form a triangle.

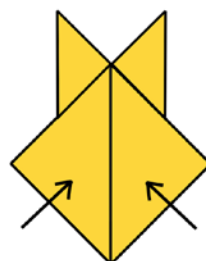

2 Fold your paper card in two. Then open it up again. Place it with the point upwards, as shown.

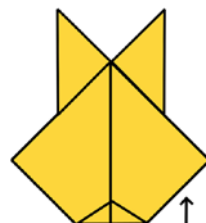

3 Fold the bottom or your triangle upwards, as shown to form a boat-like shape.

4 Fold each of the bottom corners, in the direction of the arrows shown. Keep the middle join very close.

5 To make a little stand for your rabbit, fold the bottom point upwards. Turn your rabbit over.

6 Your rabbit needs a face. Either glue eyes and whiskers on or draw the with pens. We used pipe cleaners and cardboard for our whiskers.
