Things you need:

chocolate cupcakes in brown paper cups
chocolate icing
dark chocolate sprinkles
eye shaped lollies - we used liquorice lollies
lengths of liquorice ribbon
a knife

1 You can buy your chocolate cupcakes already made or make from scratch. If your cupcakes aren't iced yet, ice them with chocolate icing.

2 Sprinkle with dark chocolate sprinkles to make them look hairy.

3 Push eye shaped lollies into the icing. We used liquorice sticks.

4 Make holes in the cup cake with the point of a knife. Push 10-12cm lengths of liquorice ribbons into the holes. Repeat 8 times.

5 Arrange on a plate with decorations. We used shredded orange paper to keep with the halloween theme.
