

Marshmallow eyeballs

This activity kit contains:

1. Make and do activity steps 1 - 3

Visit <http://play.powerhousemuseum.com> to download any missing elements.

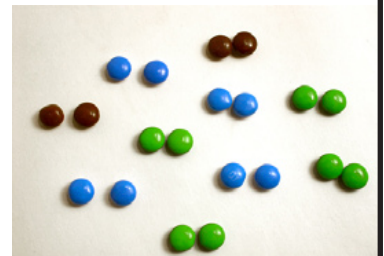

Things you need:

white marshmallows
smarties, M&M's or similar (blue, green & brown)
black or blue food colouring
little paintbrush
shredded orange, red or black tissue paper

1 Match up your white marshmallow into pairs. Pinch out small amounts of marshmallow so that the sticky inside can be used to stick the smartie.

2 Pair up your blue, green and brown smarties.

3 Push the smarties into the marshmallow holes.

4 Paint a pupil onto the middle of each eye using a tiny drop of food dye and a paintbrush. Arrange in pairs on a plate that has been covered in shredded paper.
