Things you need:

- printouts of templates
- craft paper (plain or coloured)
- stick glue and sticky-tape
- scissors (or craft knife for adults)
- ruler
- tissue paper (for filling)
- ribbon

1 Print out the box templates. Cut out roughly, then stick them onto patterned or coloured paper.

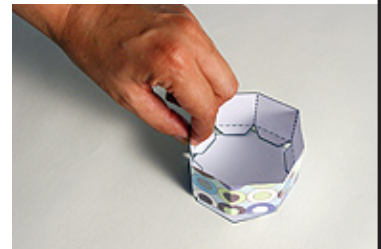

2 When the templates are dry, cut carefully along the solid lines. Then fold along all the dotted lines.

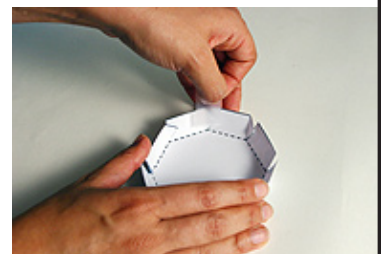

3 To build the sides of your box, first join the two sections together where they are marked 'A' using sticky tape or glue.

4 Sticky tape or glue the base together to form a ring. Stick each tab of the box sides to the box base.

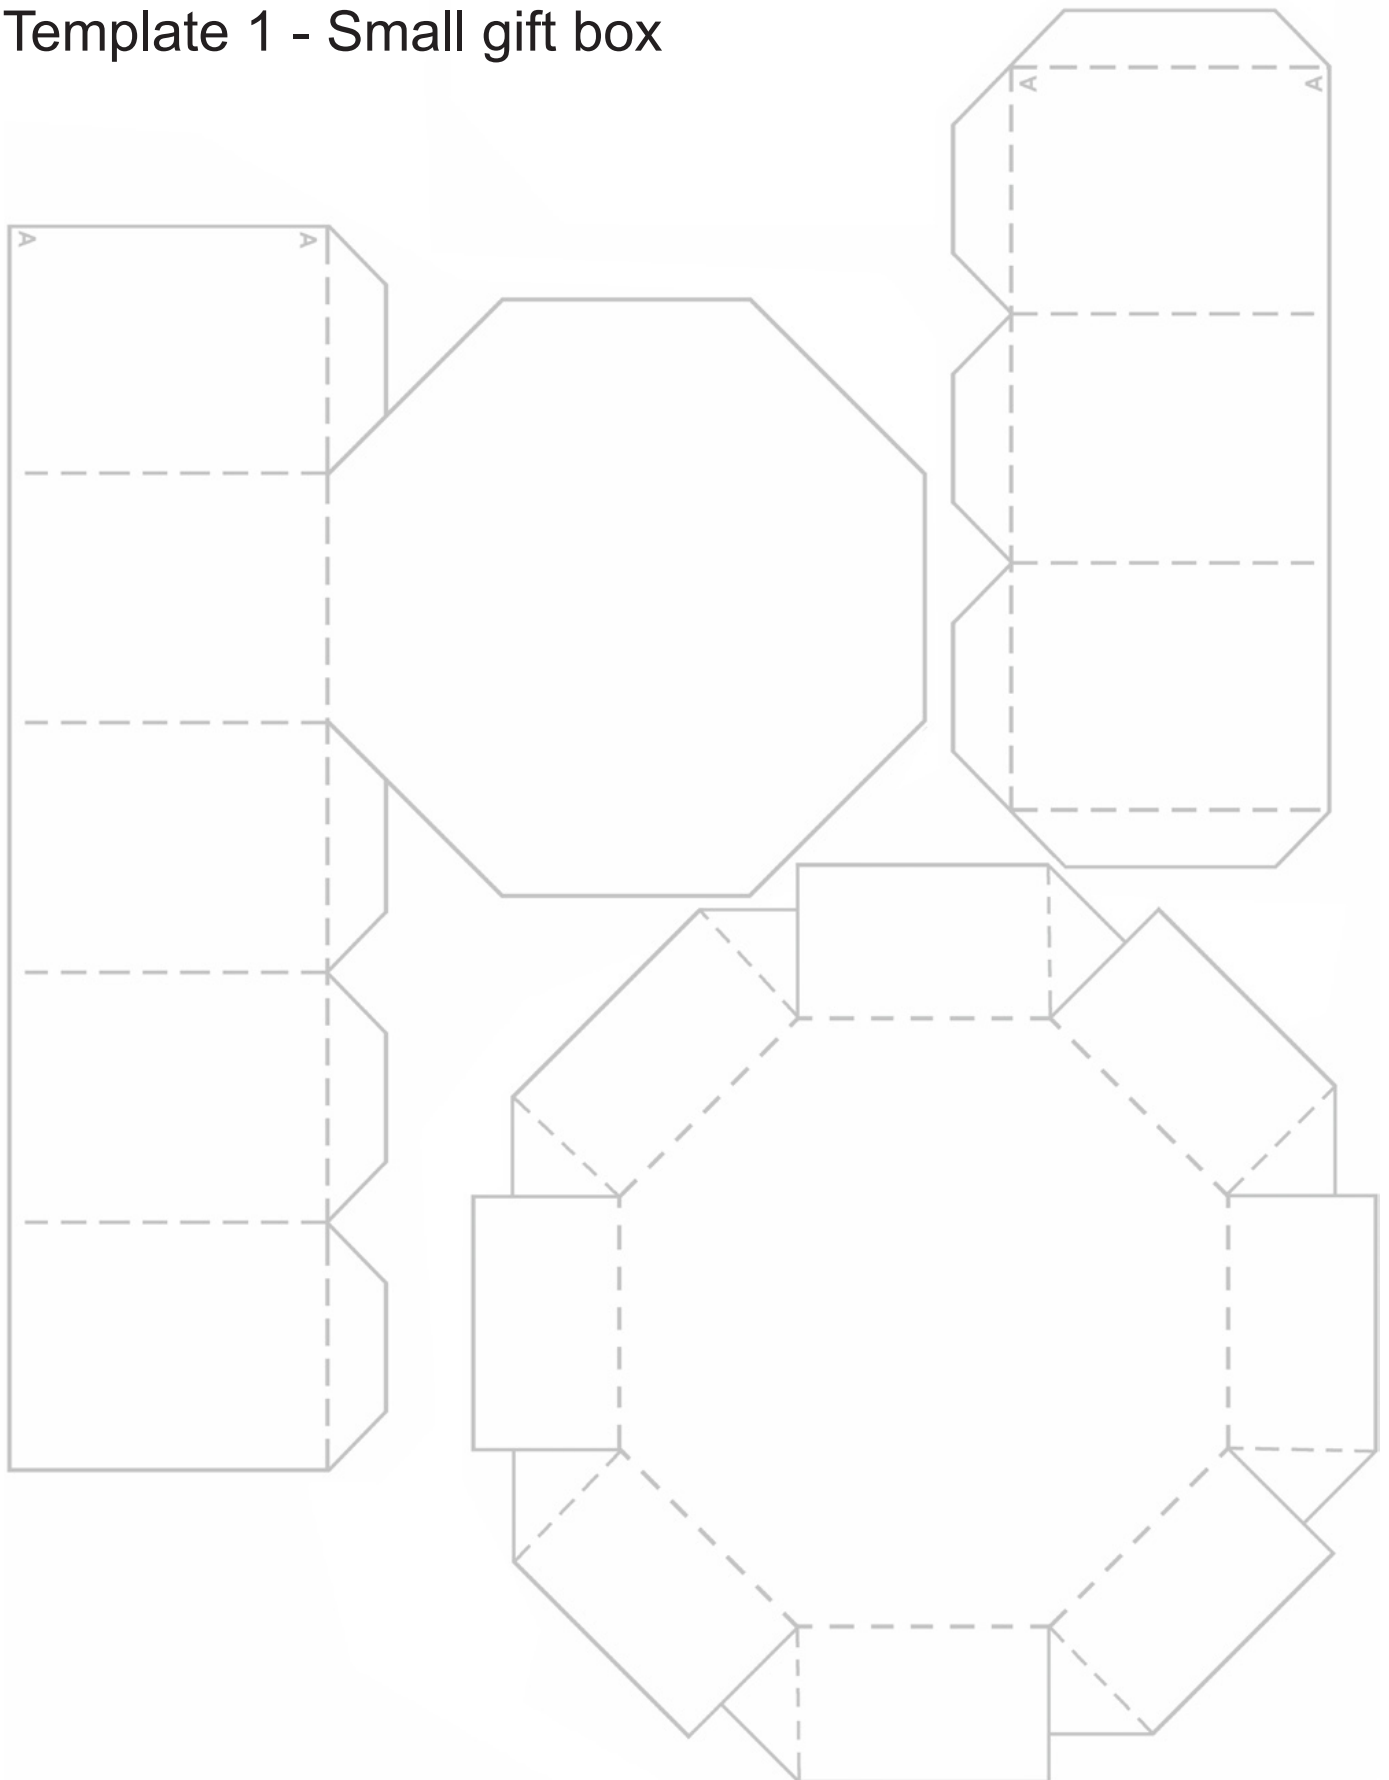

5 Stick each tab of the lid together to make your lid.

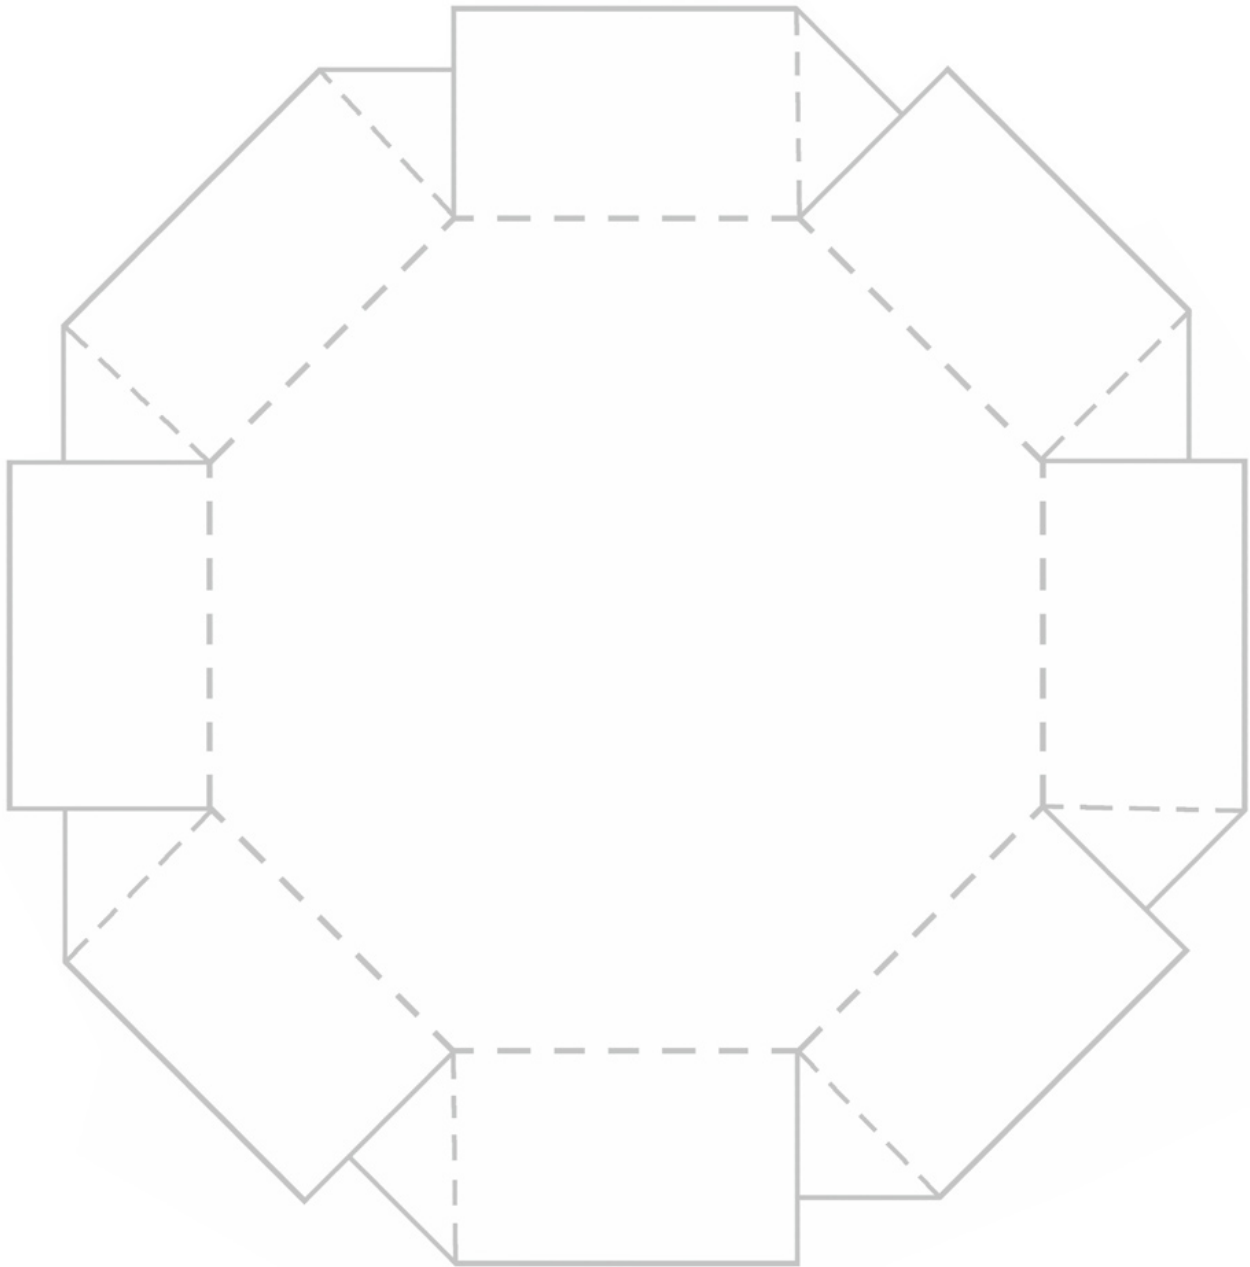

6 Fit them together to make your gift box. Fill with tissue paper and place your gift inside. Tie with a ribbon. Happy Mother's Day!
