**1** Create a set of 5 cute mousy characters. Choose our coloured mice or colour in your own. Print out your mice and roughly cut around each of them.

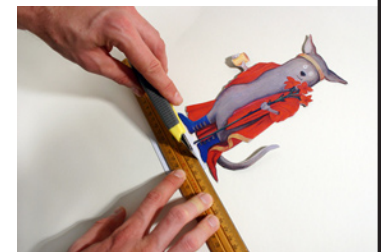

**2** Using paper glue, stick each mouse to light cardboard. Let it dry.

**3** Cut out each of your mice carefully.

**4** Lightly score the **front** of each piece along the dotted line. Fold the tab **backwards** to create a little stand.

**5** If you have chosen the black and white version of our mice, you can colour them in now.

**6** Display your set of 5 mousy characters or download their script and create a play. You could also write your own play or story about them.
