Things you need:

- printouts of templates
- stiff cardboard
- craft glue
- scissors
- sticky-tape
- craft knife

1 Print out templates. Glue Zoe and her outfits to stiff cardboard using glue-stick and cut them out.

2 Stick Zoe and the circular base down onto heavier cardboard, smoothing out any air bubbles. When they're dry, cut them out carefully.

3 Very lightly score along the line at Zoe's feet using a ruler and scissors or craft knife. Also score along the dotted lines of the triangular stand.

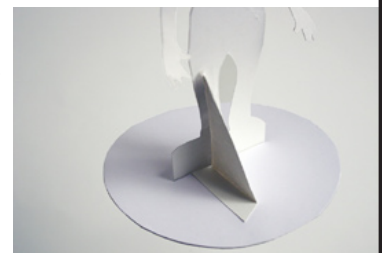

4 Use a craft-knife to cut along the cut line in the centre of the base, then push Zoe through the slit, up to the scored line.

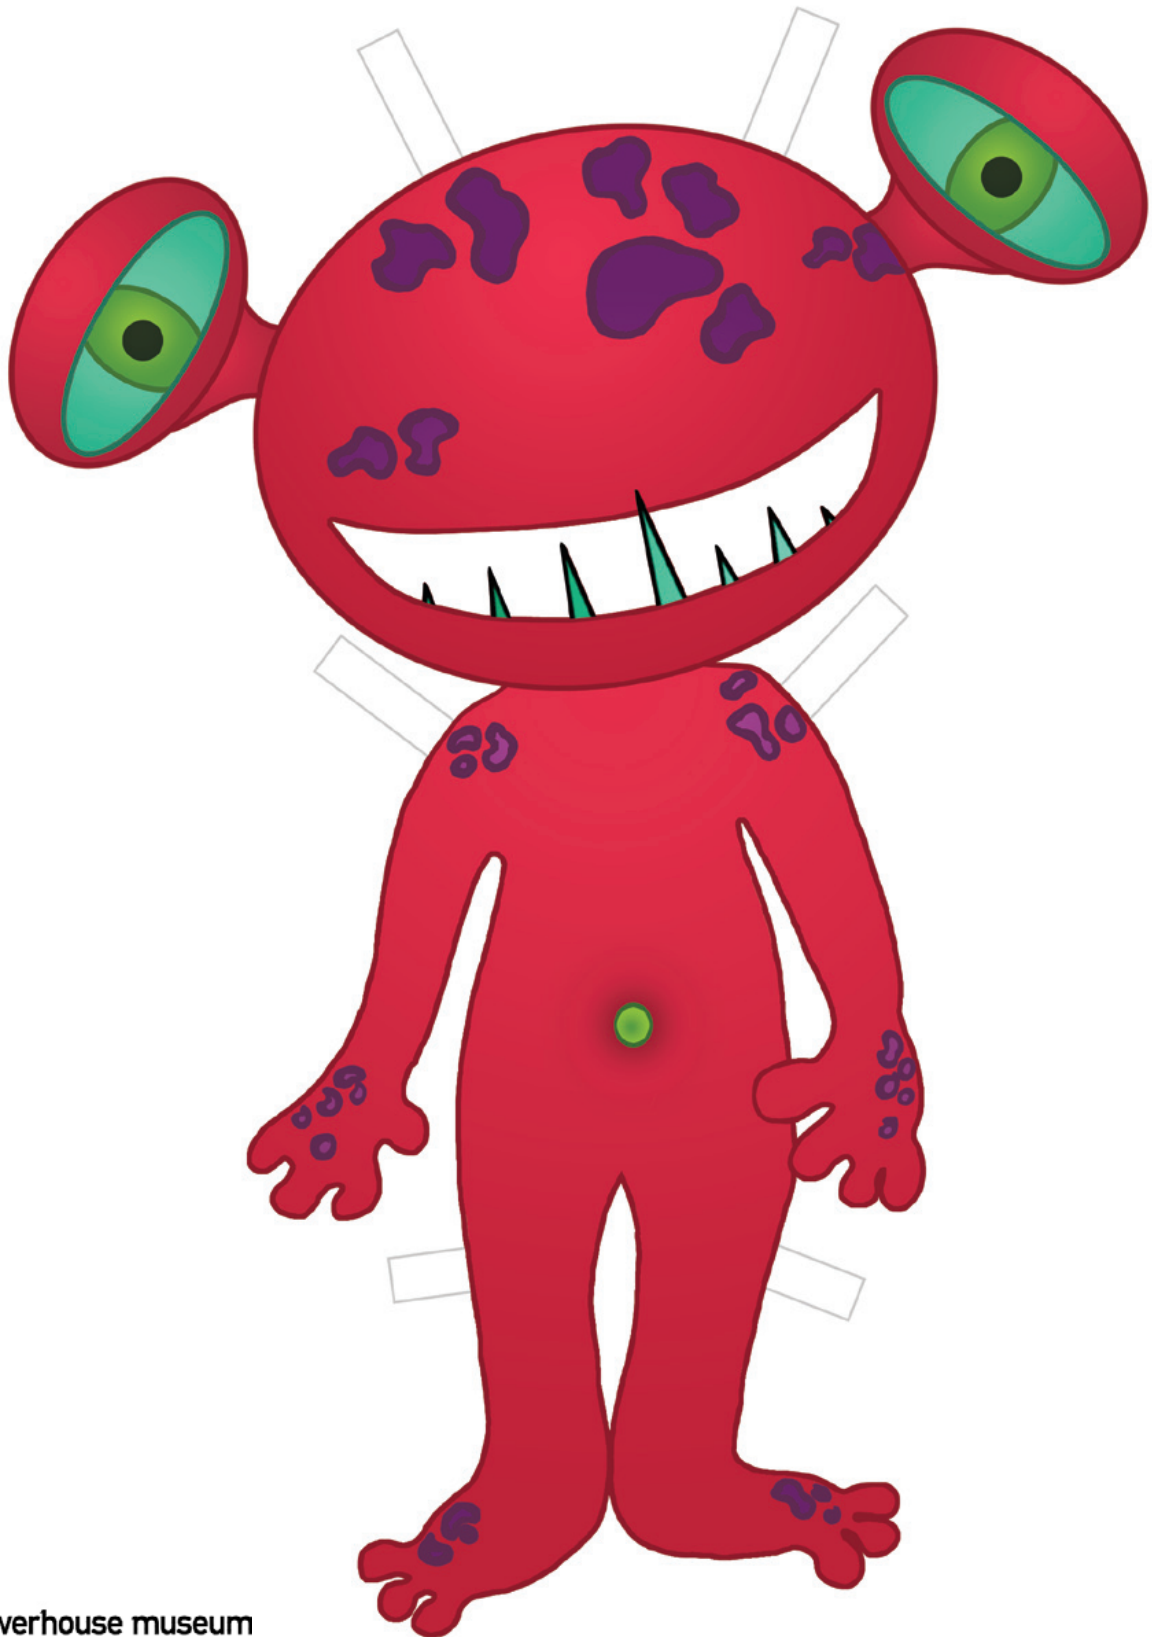

5 Fold Zoe along the score line and secure her to the base with sticky-tape so she stands upright.

6 Attach the triangular stand to the back of Zoe's leg and the base with tape. Cut out the outfits and attach with tabs. Stick with tape to make permanent.
