Things you need:

- Paper (we used light coloured card)
- Scissors
- Glue

1 Print the templates. Cut out the large rectangle and fold along the dotted line.

2 Cut out the stand.

3 Fold the stand in half along the dotted line. Fold the two ends in towards the middle along the dotted lines.

4 Glue the folded end to the line on the large page. Make sure the fold goes away from the middle. Repeat on the other side of the paper.

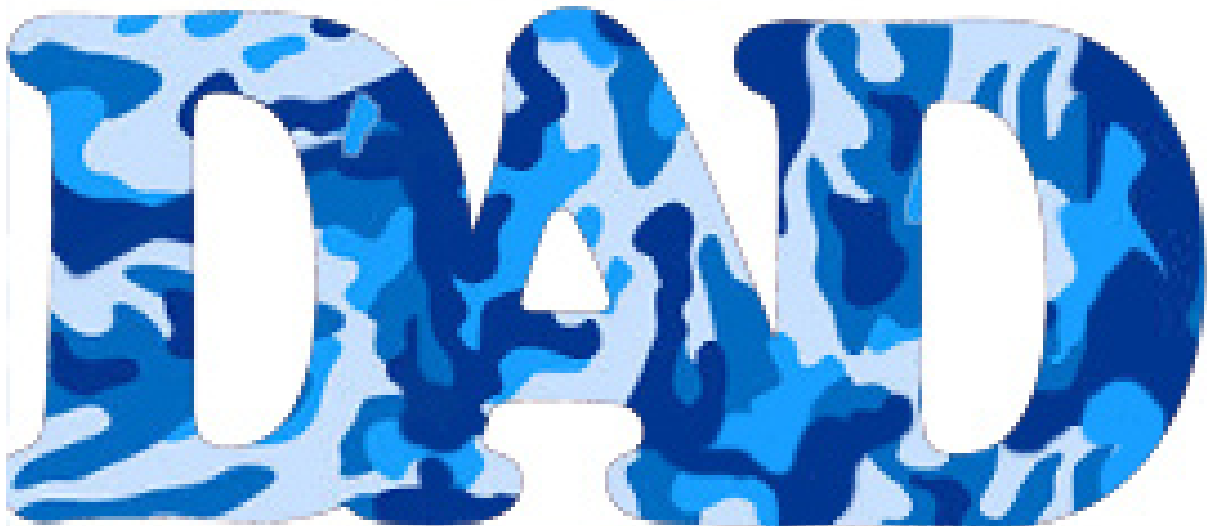

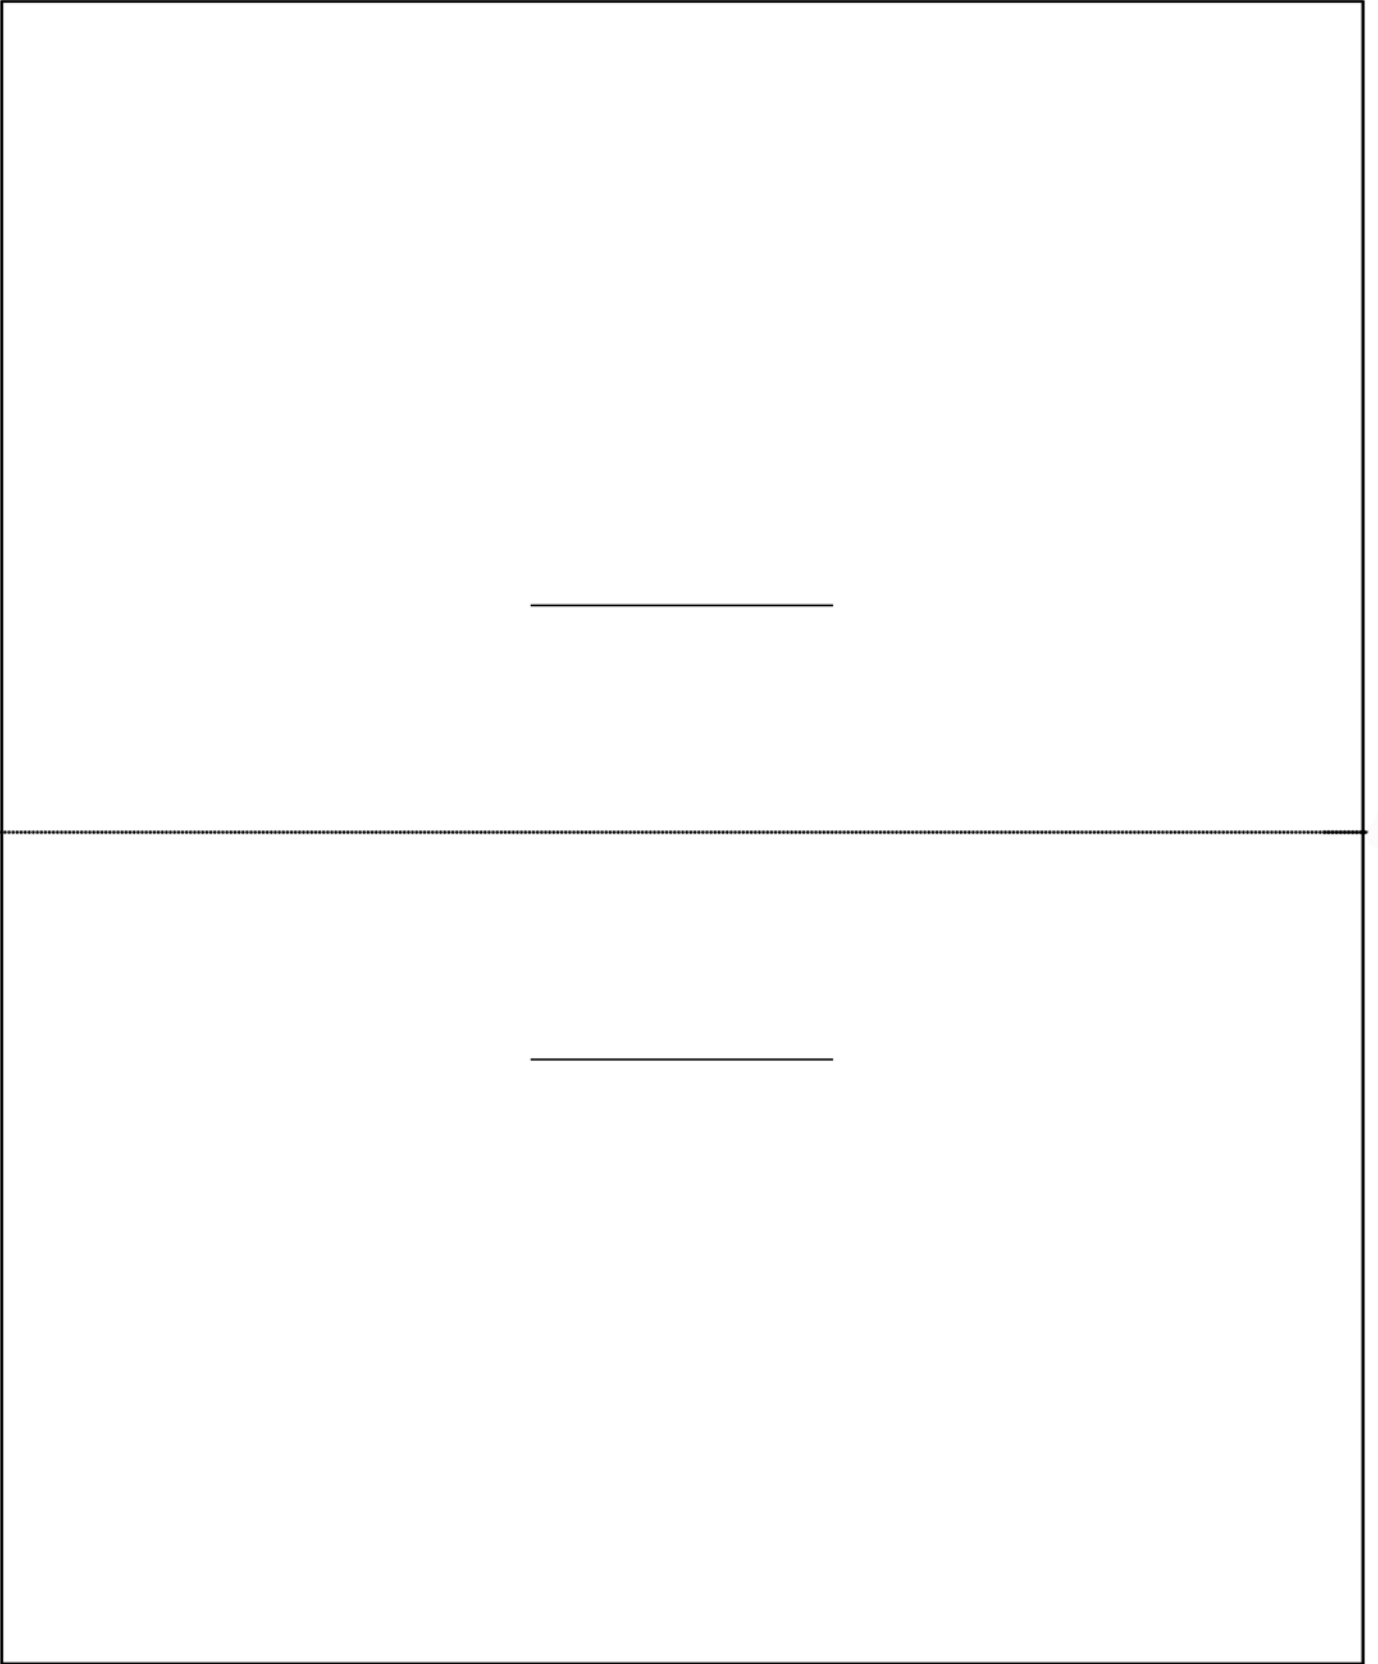

5 Glue the DAD letters onto a piece of card. When dry, cut out the DAD sign.

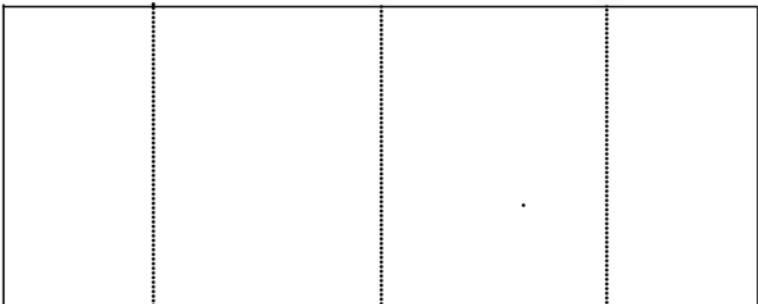

6 Put glue only on the front of the stand and press the DAD sign to it. The bottom of the DAD sign needs to line up with the base of the stand.
